

## Thank You for a Wonderful Recital!

What a fabulous recital! I am so proud of our talented dancers and our outstanding faculty as well as the dedicated organization from our VIVA group. We hope that all of you and your invited guests enjoyed yourselves as much as we did.

I would also like to express my sincere appreciation to our CSDA parents for your commitment, time and effort to ensure your dancer's attendance at classes, rehearsals, and, ultimately, their performance.

### Summer Dance

A reminder that Summer Dance classes are starting next week, Monday July 6. If you have not already signed up for classes, please contact the CSDA office via reply to this email or phone message at 916-939-7222. We are consolidating some of our classes that have not met the minimum enrollment requirements so that they may continue. View the updated [Summer Dance Schedule](#).

Summer Dance is a great opportunity to improve your dance technique and stay in shape while having fun at the same time. If you are unable to attend the entire 5 week session, come for as many as you can! We hope to see you there.
